REQUEST TO PLACE ITEM ON THE AGENDA (Per Section 1-20 of Governing Standards and Expectations)

**Requestor(s):** Councilman Steve Harris

**Date:** 28 December 2020

**Problem/Issue/Idea Name for Agenda:**

Street Camera Surveillance

**Description of Problem/Issue/Idea:**

With current crime rates rising in Killeen, conducting research into the benefits, effectiveness and cost of strategically placed "Crime" cameras around designated areas of Killeen to assist in the tracking and apprehension of criminal activities and suspects. The cameras will not be used for traffic violations unless, they are part of a concurrent crime. I also propose that a citizen committee be established in order to receive citizen input regarding the strategic placement of cameras if approved.

**Requested Action:**

Staff will review and research the effectiveness, various brand costs and feedback regarding quality camera systems designed for crime reduction and capture assistance. Provide the council with recommendations regarding potential use implementation or not.
