REQUEST TO PLACE ITEM ON THE AGENDA (Per Section 1-20 of Governing Standards and Expectations)

Requestor(s): Mellisa Brown

Date: 3/12/21

Problem/Issue/Idea Name for Agenda:

Commercial Noise Ordinance

Description of Problem/Issue/Idea:

Through various zoning changes, there are numerous B-3A, B-4, and B-5 businesses and facilities with stages, amplified sound systems, and amphitheater's within or adjacent to residential areas.

This is becoming a nuisance to residents living near such businesses and who are disturbed by loud sounds, and the businesses who are trying to operate in residential areas but are reported for alleged noise violations at times that they feel are reasonable for the volume or event

Requested Action:

- Review noise ordinance for clarity on businesses
- Revise noise ordinances as necessary, particularly for commercial property in and adjacent to residential neighborhoods
- Identify potential for screening options for existing businesses
