Re: Bid No. 21-06 – Greenforest Circle Drainage Improvements

To Whom it May Concern,

On June 3rd, we received three (3) bids for the Greenforest Circle Drainage Improvements Project. We have reviewed each bid for accuracy and completeness. A discrepancy of \$10.00 was discovered with line item #28 of the bid submitted by B-Corps Utilities, Inc. We contacted B-Corps Utilities, Inc.; notified them of the discrepancy and verified they still want to submit the bid as is. B-Corps Utilities, Inc. submitted a Base Bid totaling \$626,479.88 making them the apparent low bidder. *Please refer to the enclosed Bid Tabulation Sheet and Bid Schedule Breakout for detailed information.*

The engineer's project estimate, for the Greenforest Circle Drainage Improvements Project was \$630,874.00.

We are recommending that the City of Killeen award the contract to B-Corps Utilities, Inc. We believe, through personal experience, that B-Corps Utilities, Inc. is qualified and is capable of providing the Greenforest Circle Drainage Improvements Project and we look forward to working with them on this project.

Sincerely,

Monty Clark, P.E., CPESC
