

# GILMER STREET DESIGN CONTRACT REQUEST

RS-21-149

November 9, 2021

# Background

2

- ❑ FY 2022 Capital Improvement Plan includes eight projects in the Transportation Street Reconstruction Priority List
- ❑ Current Roadway damages are estimated approximately \$120 million
- ❑ Staff interviewed Five (5) consultants through an interview panel to select for the first three projects on the priority list.
- ❑ KSA was selected as the consultant for the Gilmer Street Reconstruction Project
- ❑ Proposed Contract for Engineering Design \$658,710.00

## Project Limits: Veterans Memorial Blvd North to Dead End

# Design Scope

4

- ❑ Engineering Design
- ❑ Full Roadway Reconstruction
- ❑ Roadway Dieting
- ❑ Intersection Analysis
- ❑ Public Outreach

# Alternatives Considered

5

The City Council has three (3) alternatives.  
The Council may:

- ❑ Delay the design of GilmerStreet Reconstruction Project
- ❑ Reject KSA's proposal and begin with another design firm
- ❑ Authorize a Professional Services Agreement with KSA's for the preliminary design of the Gilmer Street Reconstruction Project

# Recommendation

6

- Staff recommends that the City Council authorize a Professional Service Agreement with KSA's for the design of the Gilmer Street Reconstruction Project.
