HOLD a public hearing and consider an ordinance amending Chapter 31 of the Killeen Code of Ordinances, providing for amendments to the City's land use regulations regarding residential structures on a single lot and permitted uses in "R-3F" (Multifamily Residential District).

DATE: April 4, 2023
TO: Kent Cagle, City Manager
FROM: Edwin Revell, Executive Director of Development Services
SUBJECT: ORDINANCE AMENDING CHAPTER 31 - Residential Land Uses

BACKGROUND AND FINDINGS:

Killeen Code of Ordinances section 31-6(8) states the following:

"Every single-family residential or duplex residential building [...] shall be located on a lot, and there shall not be more than one (1) main building on one (1) lot."

As written, this standard prohibits more than one single-family or two-family home on a single lot - even if the property is zoned for multifamily use. If approved, the proposed ordinance would modify this language to allow more than one single family or duplex dwelling on a single lot zoned "R-3", "R-3A", or "R-3F".

It would also amend Killeen Code of Ordinances section 31-255.1(a), which lists the permitted uses in the "R-3F" (Multifamily Residential District), to allow two-family dwellings. Currently, the "R-3F" zoning district permits single-family, three-family, & four-family dwellings, but not two-family dwellings.
