SUBJECT: Petition requesting release from the Extraterritorial Jurisdiction (ETJ)

BACKGROUND AND FINDINGS:

During the 2023 Legislative Session, the Texas Legislature passed Senate Bill 2038, which amended Texas Local Government Code Chapter 42 to allow the owner(s) of property located within the extraterritorial jurisdiction (ETJ) of a municipality to petition that municipality for release from the ETJ. This amendment became effective on September 1, 2023.

On January 11, 2024, staff received the attached petition for release from the ETJ from James Kent, on behalf of Pimluck Properties LLC, owners of the subject property, being approximately 5.78 acres out of the W. Allen Survey, Abstract 24, Salado, Texas.

Texas Local Government Code Sec. 42.023 states that the extraterritorial jurisdiction of a municipality may not be reduced unless the governing body of the municipality gives its written consent by ordinance or resolution.

With the adoption of S.B. 2038, Texas Local Government Code Sec. 42.104(d) now states: "If a municipality fails to take action to release the area [...] by the later of the 45th day after the date the municipality receives the petition or the next meeting of the municipality's governing body that occurs after the 30th day after the date the municipality receives the petition, the area is released by operation of law."
