BACKGROUND INFORMATION

In cooperation with the Federal Highway Administration, the Texas Highway Commission issued a call for project nominations for the statewide Transportation Enhancement Program (TE) on August 30, 2012. The call began on September 14, 2012, and closed on November 16, 2012. In two previous project calls, the City of Killeen (COK) had secured funding for two (2) hike and bike trails. Those projects (CCM/R 12-091R) have been extremely successful and beneficial to the City of Killeen.

On July 26, 2013, the City received notification that it had been selected to receive \$1,455,498 for a TE award. The City of Killeen's proposed project ranked fourth out of 81 prospective projects submitted to the Texas Department of Transportation (TxDOT). On February 11, 2014, the City Council authorized a reimbursement resolution (CCM/R 14-023R) which included funding for the Westside Trail (Killeen Fort Hood Regional Trail Segment 3) project. On March 25, 2014, City Council authorized entering in an advance funding agreement (CCM/R 14-035R) with TxDOT for the TE award as documented by the Transportation

Enhancement Program.
