BACKGROUND AND FINDINGS:

Property Information:

Property Owner: Jay C. Franklin

Agent: Karen Doerbaum

Current Zoning: "B-3" (Local Business District)

Proposed Zoning: "R-3F" (Multifamily Residential District)

FLUM Designation: 'Residential Mix' (RM)

Growth Sector Designation: 'Neighborhood Infill'

Summary of Request:

Karen Doerbaum, on behalf of Jay C. Franklin, has submitted a request to rezone the property at 1103 Horizon Drive from "B-3" (Local Business District) to "R-3F" (Multifamily Residential District). The purpose of this request is to change the zoning of the property to make it consistent with the current multifamily land use. There is an existing fourplex on the property, which is considered legal non-conforming, and is subject to the Killeen Code of Ordinances Sec. 31-51. The purpose of this request is to bring the current use of the property into conformance with the zoning ordinance.

Zoning/Plat Case History:

The subject property was annexed into the City limits on December 22, 1986, via Ordinance No. 86-87. The property was rezoned from "R-1" (Single-Family District) to "B-3" (Local Business District) on June 12, 1990, via Ordinance No. 90-52. The property was platted as Lot 7, Block 1, Sunrise Vista Addition and recorded on August 11, 1997.

Character of the Area:

North: Two-family residential development zoned "R-2" (Two-Family Residential District)

South: Existing fourplex zoned "B-3" (Local Business District) (Legal nonconforming)

East: Existing fourplex zoned "B-3" (Local Business District) (Legal nonconforming)

West: Existing fourplex zoned "B-3" (Local Business District) (Legal nonconforming)

Future Land Use Map Analysis:

This property is located within the 'Neighborhood Infill' area on the Growth Sector Map and designated as 'Residential Mix' on the Future Land Use Map (FLUM) of the Comprehensive Plan.

This 'Residential Mix' place type creates neighborhoods built with a traditional walkable block/street grid network that allows a flexible mix of residential building typologies. Aside from large multiplex garden apartments, most housing types should be allowed here. This place type encourages most residential uses such as single-family detached, townhouses, small-plex (2-4 units), etc. This place type encourages a twenty-five percent (25%) nonresidential and ninety-five percent (95%) residential use mix.

The request supports or furthers the following Comprehensive Plan recommendations:

- **LU3** - Encourage incremental evolution of neighborhoods
- **NH6** - Shift the market to include existing housing

The Comprehensive Plan promotes incremental redevelopment of properties in Killeen that can add to a widespread improvement. Additionally, staff finds the proposed rezoning is consistent with the surrounding area, which consists of a mix of housing types.

Development Zone Analysis:

This property is located within the City of Killeen Development Zone #4. This development zone is north of Stan Schlueter Loop and west of State Highway 195.

83.36% residential uses
