The term of the new lease agreement is for three years beginning February 1, 2016, and ending January 31, 2019, with options for two, one-year extensions.

Staff comments: Tom Moore

This entire purchase cost is \$1,298,727.05. The payment is set at \$259,745.41 for each of the next five years. The city staff requests that the City Council approve the plan to purchase network infrastructure equipment in its entirety and pay out in installments for five years, and that the City Manager is expressly authorized to approve any change orders in compliance with state law.

The crawler excavator recommended by staff is the Volvo EC250EL provided by Romco Equipment Co. of Round Rock. The vacuum excavator trailer would be purchased from Ring-O-Matic. Funding for this equipment is available in the amount of \$298,849 of the 2016 Drainage Maintenance Motor Vehicles account.
