Staff comments: Tony McIlwain

The staff notified three (3) surrounding property owners within a 200’ notification boundary. Staff has received one response in opposition from Whitis Land Investments. This opposition amounts to 38% of the area within the 200 feet notification boundary. As such, approval of the applicant's zoning request will require a favorable vote of three-fourths (3/4) of all the members of the City Council.

The Planning and Zoning Commission recommended approval of the applicant’s Conditional Use Permit (CUP) by a vote of 4 to 2 to allow for a 9,100 square feet Dollar General retail store with the following conditions:

- The building’s exterior design shall be consistent with the submitted architectural elevation;
- There shall be a 100% limestone façade on the north elevation of the building to include the northwest main entrance, with 100% brick façade for the remaining three elevations; the brick shall match the limestone in color;
- The applicant shall plant 25 trees, half of which shall be of a large canopy species, with the majority of

- the tree placement occurring along the S.H. 195 and Splawn Road frontage; and
- The applicant shall plant 96 shrubs on the site.

Mayor Segarra opened the public hearing.

Bob Gage with DBT Realty - Mr. Gage feels he has gone above and beyond to comply with the city's requests and that the Veterans Land Board is agreeable with the plan.

With no one else appearing the public hearing was closed.
