DATE: **November 9, 2021**

FROM: **Jonathan Locke, Executive Director of Finance**

SUBJECT: **Budget Amendment**

BACKGROUND AND FINDINGS:

The roof at the City's Transfer Station was badly damaged due to a fire that occurred on August 18, 2020. Damage to the roof was contained to a large area on the east slope and a small area on the west slope. The City worked with the Texas Municipal League (TML), our insurance carrier, to perform on-site inspections of the roof. TML engaged the professional services of a roofing consultant and there were time delays associated with this consultant. TML acknowledged the need for the roof replacement and advised the City to move forward with obtaining proposals for the roof replacement.

Community Development is presenting an item for City Council's consideration regarding the replacement of the roof at the Solid Waste Transfer Station. This budget amendment appropriates funding to recognize a reimbursement from TML and appropriates funding for the expense of the roof replacement.

The revenue will be amended as follows:

Revenue	
Insurance Proceeds	\$229,857
TOTAL	\$229,857

The expense will be amended as follows:

Expense	
Claims and Damages	\$229,857
TOTAL	\$229,857
