Resolutions

RS-15-076 Consider a memorandum/resolution appointing members of the Killeen Volunteers, Inc. - Youth Advisory Commission and swear in.

RS-15-078 Consider a memorandum/resolution amending the lease for space at the Killeen Arts and Activities Center with Richard Milburn Academy.

Staff comments: Traci Briggs

Richard Milburn administration has approached city staff to terminate janitorial services to the leased area as of November 1, 2015. The cost of supplies far outweighs the monthly fee charged for providing the janitorial service.

Staff recommends that the city council approve an amendment to the 2011 lease agreement with the Richard Milburn Academy to discontinue janitorial services effective November 1, 2015.

Motion was made by Councilmember Okray to approve RS-078. Motion was seconded by Mayor Pro-Tem Segarra. Motion carried unanimously.

RS-15-079 Consider a memorandum/resolution appointing members to various boards and commissions.

Staff comments: Kathy Davis

This resolution is to appoint vacancies for terms beginning October 1st, as well as some vacancies in unexpired-terms, created by recent resignations.

Staff recommends appointing Dr. Logan Beene, DVM to replace Keri Jones on the Animal Advisory Committee, postpone appointments to the vacancies on the Arts Commission until more applications can be obtained, and postpone appointment to the vacancy on the Killeen Volunteers board pending discussions with the board liaison.

Motion was made by Councilmember Blackstone to appoint Dr. Logan Beene to the Animal Advisory Committee. Motion was seconded by Councilmember Okray. Motion carried unanimously.

RS-15-080 Consider a memorandum/resolution awarding Bid No. 16-01 for a construction contract with Lott Brothers Construction, for the construction of Fire Station #9.

Staff comments: Fire Chief Gardner

Four bids were received for the project. The four submittals and their corresponding base bid are:

Emerson Construction Co. - \$4,550,000

Chaney-Cox Construction - \$4,730,000

Lott Brothers Construction Co. - \$4,520,000

G. Creek Construction - \$4,700,000

Lott Brothers Construction represents the lowest responsible bid for the Killeen Fire Station #9 project and meets all requirements of the bid specifications.

Staff recommends that City Council authorize the City Manager to execute a contract with Lott Brothers Construction for the construction of Fire Station #9 in the amount of \$4,520,000 and the City Manager is further authorized to execute any change orders in the amounts allowed by state law.

Motion was made by Councilmember Moore to approve RS-080. Motion was seconded by Councilmember Kilpatrick. Motion carried unanimously.

RS-15-081 Consider memorandum/resolution authorizing the City Manager to submit a Surface Transportation Program Metropolitan Mobility (STPMM) application to the Killeen - Temple Metropolitan Planning Organization (KTMPO) to compete for Category 7 funding to construct an extension to Rosewood Drive.

Staff comments: Scott Osburn

Under the proposed grant application, the City would provide approximately \$2,750,000 for a construction match and engineering services. If awarded the Category 7 grant, the City would be reimbursed up to \$6,000,000 (proposed grant request) as the project progresses. Staff recommends that the City Council authorize the City Manager to submit a Surface Transportation Program Metropolitan Mobility - Category 7 application to the Killeen - Temple Metropolitan Planning Organization for the extension of Rosewood Drive and further that: "The City of Killeen supports funding this project as shown in the nomination budget (including the 25% local match for construction costs) and commits to the project's development,

implementation, construction, maintenance, management, and financing. The City of Killeen is willing and able to enter into an agreement with KTMPO by resolution or ordinance should the project receive funding.”

Motion was made by Councilmember Rivera to approve RS-081. Motion was seconded by Councilmember Blackstone. Motion carried 5 to 2 with Councilmember Okray and Councilmember Fleming opposing.

Staff comments: Kathy Davis

In 2012, the Killeen Economic Development Corp. began discussions with representatives of the La Cascata Retail Village LLP (“Developer”) regarding development of a shopping center development, containing approximately 320,000 square feet of rentable area, on the western border of Skylark Field. The Developer advised that an agreement with the City to provide a performance-based economic development grant to defray a portion of the costs would make the project more feasible. After negotiations between the representatives of KEDC, the City and Developer, the following terms were reached, and are being recommended to Council:

TIRZ #2 Components:

- Financing of \$8,000,000 in eligible project costs (i.e., off-site streets, water, wastewater, storm drainage and other public improvements necessary in connection with the development) with TIRZ funds;
- Developer must create a taxable appraised value of at least \$37,000,000 within one year after the first payment date, \$50,000,000 within two years after the first payment date, and \$55,000,000 within three years after the first payment date and throughout the balance of the TIRZ #2 term;
- No TIRZ revenues will be paid to developer if the taxable appraised value drops below 60% of the annual projected appraised values in any given year;
- Term of the TIRZ will be extended.

Sales Tax Rebates/380 Agreement Components:

- An annual sales tax rebate of one half of 1% collected by the city until an amount of \$3,600,000 has been rebated;
- Payments will not begin until the construction of \$5,000,000 in new capital improvements and all public infrastructure at the site has been completed, at least \$100,000 in City sales tax revenues have been generated, and 75 full-time or 300 part-time jobs have been created;
- Sales taxes from a business relocating to the site from another location in the City will not be eligible for inclusion in the available city sales tax revenues for the site;
- Sales tax rebates will be limited to those companies in a retail sector where there is documented retail leakage outside the city limits of Killeen.

Staff recommends that Council consider the attached Ordinance approving the Master Economic Development Agreement By and Among City of Killeen, Texas, Killeen Tax Increment Investment Zone #2 and La Cascata Retail Village LLP.

Motion was made by Councilmember Rivera to approve OR-021. Motion was seconded by Councilmember Blackstone. Motion carried unanimously.
