Historic Properties: None

Infrastructure and Community Facilities

Water, Sewer and Drainage Services:

Provider: City of Killeen

Within Service Area: Yes

Water, sanitary sewer, and drainage utility services are located within the City of Killeen municipal utility service area and readily accessible to the subject property. Adequate potable water and sanitary sewer capacity are available to the tract. The property will be platted for a future Texas Department of Public Safety customer service center. Public storm drainage infrastructure lies within the abutting right-of-way. Detention of post development storm water run-off will be required if inadequate capacity remains within existing drainage infrastructure. It shall be noted that Public Works personnel have performed only a basic

assessment of publicly-dedicated water and sanitary sewer infrastructure that would serve this property. The property owner and his agents are cautioned that unknown or unforeseen site conditions may require remedial action to provide safe and adequate water, sewer, or drainage service to the property. Further, City of Killeen development regulations require that capacity analyses related to development of the property are the sole responsibility of the owner. The owner or his agents, acting as the permit applicant for re-development of the subject property, shall coordinate tie-in to all publicly dedicated infrastructure with the Public Works Department.

Transportation:

Existing conditions: Ingress/egress to the property would be limited to the single point of existing ingress/egress to West Elms Road, which is classified as a 90' minor arterial street of the City's approved Thoroughfare Plan. Access onto Janelle Drive will be disciplined through AASHTO guidelines. No proposed right-of-way taking affects the property.

Environmental Assessment

Topography/Regulated Floodplain/Floodway/Creek: The tract does not lie within a FEMA regulatory Special Flood Hazard Area (SFHA).

Land Use Analysis

Land Use Plan: This area is designated as 'General Residential' on the Future Land Use Map (FLUM) of the Comprehensive Plan.

Plan Recommendation: The 'General Residential' designation encompasses detached, residential dwelling units, attached housing types, planned developments, as well as parks and public/ institutional places.

Consistency: The 'General Residential' designation encompasses detached, residential dwelling units, attached housing types, planned developments, as well as parks and public/ institutional places. The Comprehensive Plan considers 'General Residential' to be of a medium intensity category/character, and states that "neighborhood-scale commercial uses are expected to emerge over time and should be encouraged on sites and in locations within (or near the edge of) 'General Residential' areas that are best suited to accommodate such uses while ensuring compatibility with nearby residential uses." This request is consistent with the Comprehensive Plan.

Public Notification

The staff notified three (3) surrounding property owners regarding this request. Staff has received no responses.

Recommendation

The Planning & Zoning Commission recommended approval of "B-2" zoning by a vote of 5 to 0, with Commissioner Johnson abstaining from voting on the applicant's request.
