Historic Properties: None

Infrastructure and Community Facilities

Water, Sewer and Drainage Services:

Provider: City of Killeen

Within Service Area: Yes

Water, sanitary sewer, and drainage utility services are readily accessible to the subject property.

Transportation:

Existing conditions: Florence Road is designated as a 70' collector on the City's adopted Thoroughfare Plan. Ingress/egress to the property would be limited to the single point of existing access.

Proposed improvements: None.

Projected Traffic Generation: The traffic impact will be minimal.

Environmental Assessment

Topography: This property is relatively flat. Currently runoff on this development flows through the Kings Court right-of-way prior to entering Florence Ditch. The runoff then flows from Florence Ditch into Trimmer Road Ditch, then into Little Nolan Creek and finally into Nolan Creek prior to leaving the City. Little Nolan Creek and Nolan Creek are currently listed on the TCEQ's 2012 303(d) water quality list for impairment due to bacteria and concerns for near non-attainment for nutrients.

Regulated Floodplain/Floodway/Creek: The proposed development is not within any FEMA regulatory Special Flood Hazard Area (SFHA).

Land Use Analysis

Land Use Plan: The property is designated as 'General Residential' on the Future Land Use Map (FLUM), a component of the Comprehensive Plan.

Plan Recommendation: The Comprehensive Plan considers 'General Residential' to be of a medium intensity category/character that encompasses detached residential dwelling units, attached housing types, planned developments, as well as parks and public/institutional places. Neighborhood-scale commercial uses are expected to emerge over time and should be encouraged on sites, and in locations, within or near the edge of 'General Residential' areas.

Consistency: The rezone request is consistent with the Comprehensive Plan.

Public Notification

Staff notified 15 surrounding property owners within the 200' notification area. Staff has received no protests.
