The bid solicitation also provided that if the current bidder(s) cannot fulfill an order, the City will then purchase from other area vendors that have available material that meet specifications. Due to fluctuating market conditions of the materials, the bid solicitation requires that bidder's prices remain fixed during the first twelve (12) months of the contract. The contract term for this award is for a term of one (1) year with the option to extend the same for four (4) additional six (6) month periods, if agreed to by both parties.

**THE ALTERNATIVES CONSIDERED:**

1. Award the bid based upon submittals received
2. Reject all bids, continue using purchases on a "per order" status

**Which alternative is recommended? Why?**

Recommend Alternate One Award of bid based upon submittals received. This is the most beneficial for the City of Killeen.

**CONFORMITY TO CITY POLICY:**

Per Purchasing Policy, Purchas of \$50,000.00 or more, by State law, triggers the competitive procurement process. The ITB uses the competitive sealed bid method. Requirements are clearly defined, negotiations are not necessary and price is the major determining factor for selection.

**FINANCIAL IMPACT:**

**What is the amount of the expenditure in the current fiscal year? For future years?**

Projected expenditures are utilized for the City to obtain the best rate per unit pricing covering multiple City Departments and fiscal years. Actual costs per fiscal year for each Department may be significantly lower and will not exceed Departmental budgets. The final fiscal impact will be based upon the allocated budget and work load for the year.

**Is this a one-time or recurring expenditure?**

The purchases will be recurring expenditures with fixed prices for the first twelve months of the contract. The contract term for the award can be extended the same for four (4) additional six (6) month periods, if agreed by both parties.

**Is this expenditure budgeted?**

Yes, all purchases of materials are budgeted within the individual Department's budget.

**If not, where will the money come from?**

N/A

**Is there a sufficient amount in the budgeted line-item for this expenditure?**

Yes

**RECOMMENDATION:**

City staff recommends that City Council award purchase contracts to Killeen Ready Mix, Killeen Crushed Stone, Green Dream International, DIJ Construction, Crafcoc, Inc., Viking Construction, Oldcastle Materials Texas, Roy D. Leifester, and Lone Star Paving for the purchase of various Concrete, Street Materials, Top Soil, Rock, and Slurry Seal Services; authorize the City Manager to enter into a contract with the same, including the proposed extensions described; and finally, authorize the City Manager to execute any and all change orders in the amounts established by state and local law.
