Staff comments: Frank Tydlacka

These replacement units, eight (8) fully-equipped police pursuit vehicles and one (1) K-9 configured unit would be fully-equipped Ford Explorer Police Interceptor models. Staff recommends approval to procure the nine (9) fully-equipped Ford Explorer Police Vehicles from Silsbee Ford through the BuyBoard Cooperative for the cost of \$537,812.00, plus graphics for \$2,820.00, for a total cost of \$540,632.00 and that the City Manager is expressly authorized to execute any and all change orders within the amounts set by state and local law.

Kathy Stoubing, 3105 Paintrock Dr. - suggested recommendations to help with current budget deficit.

James Ralston, 408 Yates Rd. - recommended the Council find budget items to change in order to pay for vehicles, and does not feel the Council should be spending money right now.

Councilmember Johnson spoke against spending the money at this time and suggested the city limit their spending where ever they can.

Motion tied 3 to 3 with Councilmember Young, Councilmember Johnson, and Councilmember Fleming in opposition. To break the tie, Mayor Segarra voted for the request. Motion carried 4 to 3.

RS-16-086 Consider a memorandum/resolution authorizing the acceptance of the 2015 Assistance to Firefighting Grant.

Staff comments: Deputy Chief Hawthorne

Staff recommends that the City Council approve this resolution accepting the 2015 Assistance to Firefighting Grant award in the amount of \$486,000, ratify and adopt all assurances, statements, representations, warranties, covenants, and agreements incorporated into the grant agreement, and acknowledge its commitment to secure appropriate financial support for the Killeen Fire Department's cost-

sharing obligations of \$44,181 in the FY 2017 budget.

Motion was made by Mayor Pro-Tem Moore to approve RS-16-086. Motion was seconded by Councilmember Fleming. Motion carried 6 to 0.

RS-16-087 Consider a memorandum/resolution awarding Bid No. 16-15 for the Stewart Neighborhood Sidewalk Reconstruction Project.

Staff comments: David Olson

During the FY 2015-16 budget process the Public Works Transportation Department-Street Services Division was allocated \$140,700.00 of Community Development Block Grant (CDBG) (Ord. 15-034) funds to be used for sidewalk reconstruction in the Stewart Neighborhood. Three (3) bidders submitted bids. Staff recommends the City Council award a construction contract to the lowest responsible bidder through line item section twenty one (21) for the sidewalk reconstruction and tree/root removal to Battery Warehouse, McAllen, Texas in the amount of \$129,798.00.

Motion was made by Councilmember Okray to approve RS-16-087. Motion was seconded by Mayor Pro-Tem Moore. Motion carried 5 to 1 with Councilmember Fleming in opposition.

RS-16-088 Consider a memorandum/resolution approving the abandonment of a .136 acre water main utility easement affecting the property currently approved as The Landing at Clear Creek Phase Four subdivision plat. The easement is located east of Clear Creek Road (S.H. 201) along the north right-of-way of Mohawk Drive north of Nyla Drive.

Staff comments: Tony McIlwain

Staff recommends that the City Council approve the water main utility easement abandonment request and authorize the City Manager to execute a quitclaim deed for the subject property and to do and perform every other act as she may deem necessary and appropriate to carry out the abandonment of the utility easement in accordance with this resolution.

Motion was made by Councilmember Fleming to approve RS-16-088. Motion was seconded by Councilmember Rivera. Motion carried 6 to 0.

RS-16-089 Consider a memorandum/resolution approving a Killeen Economic Development Corporation performance agreement in support of the Defense Economic Adjustment Assistance Grant (DEAAG) project.

Staff comments: Matthew Van Valkenburgh

In cooperation with and support of Fort Hood officials, the City formally applied for a DEAAG to repair and rehabilitate the Army Radar Approach Control Facility (ARAC) on Robert Gray Army Airfield. Staff recommends the City Council approve the Killeen Economic Development Corporation Performance Agreement in the amount of \$525,000 and authorize the City Manager to execute all necessary agreement documents, and that it expressly authorize the City Manager to execute any and all amendments to the agreement within the amounts set by state and local law.

Motion was made by Councilmember Rivera to approve RS-16-089. Motion was seconded by Mayor Pro-Tem Moore. Motion carried 6 to 0.

RS-16-090 Consider a memorandum/resolution approving a sole source contract with KAYA Associates, Inc. in support of the Defense Economic Adjustment Assistance Grant (DEAAG) project.

Staff comments: Matthew Van Valkenburgh

The TACROF is a transportable, containerized airfield ATC operations system designed and built by KAYA

Associates Inc. (KAYA) specifically for the U.S. Army, and is managed by the U.S. Army Program Manager Air Traffic Control (PM ATC). Staff has negotiated a contract with KAYA Associates, Inc. for the packaging, shipping, setup, integration, commission/certification, and maintenance of the Army owned TACROF, and the removal, storage, reinstallation, and certification of the existing ATC equipment. Staff recommends the City Council approve the contract with KAYA, Associates, Inc. in the amount of \$733,598.00 and authorize the City Manager to execute all necessary agreement documents, and that it expressly authorize the City Manager to execute any and all amendments to the agreement within the amounts set by state and local law.

Motion was made by Councilmember Okray to approve RS-16-090. Motion was seconded by Councilmember Rivera. Motion carried 6 to 0.

RS-16-091 Consider a memorandum/resolution authorizing the procurement of an Automated Time Keeping System - ExecuTime.

Staff comments: Tom Moore

The City of Killeen currently uses a manual time keeping system. In FY14-15 the staff initiated a process improvement plan to streamline the time keeping process. ExecuTime, a SunGard preferred vendor, has been identified as the best-value automated timekeeping system. City staff recommends that the City Manager be authorized to execute the purchase of the ExecuTime software system and associated hardware required for the initial fielding of the system, not to exceed \$176,000. Additionally the City Manager is expressly authorized to execute any and all change orders within the amounts set by state and local law.

Councilmember Johnson stated that he disapproves of a new time keeping system. Councilmember Johnson feels that this is a want, not a need and is an unnecessary expenditure.

Motion was made by Councilmember Okray to approve RS-16-091. Motion was seconded by Mayor Pro-Tem Moore. Motion tied 3 to 3 with Councilmember Young, Councilmember Johnson, and Councilmember Fleming in opposition. To break the tie, Mayor Segarra voted for the request. Motion carried 4 to 3.

RS-16-092 Consider a memorandum/resolution authorizing proceeding with issuance of certificates of obligation and further directing the publication of notice of intention to issue City of Killeen, Texas, combination tax and revenue certificates of obligation.

Staff comments: Jonathan Locke

A reimbursement resolution allows the City to expend funds for specific projects and/or procurements and then be reimbursed for those expenditures from the proceeds of a debt issuance. In order to receive reimbursement for these projects and procurements, certificates of obligation will be issued. The certificates of obligation will be repaid by property tax receipts and revenues from the respective enterprise fund as appropriate. Staff recommends the attached resolution authorizing the City Manager and city staff to proceed with the issuance of certificates of obligation and publication of notice of intention to issue City of Killeen combination tax and revenue certificates of obligation be approved.

Motion was made by Mayor Pro-Tem Moore to approve RS-16-092. Motion was seconded by Councilmember Rivera. Motion failed 2 to 4 with Councilmember Young, Councilmember Johnson, Councilmember Okray, and Councilmember Fleming opposing the request.

RS-16-093 Consider a memorandum/resolution updating the residency requirements for Police and Fire public safety employees.

Staff comments: Deputy Chief Hawthorne

TLGC 150.021, residency requirements for municipal employees, states that the governing body of a municipality may prescribe reasonable standards with respect to the time within which municipal

employees who reside outside the municipal limits must respond to a civil emergency. Since enactment of the residency requirement, the applicant pool for both Fire Fighters and Police Officers has been negatively impacted. Staff recommends that City Council authorize the City Manager to revise the current residency requirement for public safety employees, redefining it to become 45 minutes from the ETJ (extraterritorial jurisdiction) and updating the related City of Killeen Handbook policies.

Motion was made by Councilmember Rivera to approve RS-16-093. Motion was seconded by Mayor Pro-Tem Moore. Motion carried 5 to 1 with Councilmember Johnson in opposition.

RS-16-094 Consider a memorandum of support for the submittal of 108 transportation projects, including roadway and pedestrian facilities for the Killeen-Temple Metropolitan Planning Organization Mobility 2040 Metropolitan Transportation Plan Call for Projects.

Staff comments: David Olson

Using the City of Killeen Transportation Capital Improvements Plan, City of Killeen Thoroughfare Plan, and KTMPO Regional Thoroughfare and Pedestrian/Bicycle Plan as a guide, staff developed a list of 108 projects to be included with the KTMPO project submittal. City staff recommends City Council issue a memorandum of support for the submittal of the 108 projects in response to the MTP project call issued by KTMPO.

Motion was made by Councilmember Young to approve RS-16-094. Motion was seconded by Councilmember Rivera. Motion carried 6 to 0.

Public Hearings

PH-16-025 HOLD a public hearing to provide citizens the opportunity to comment, and City Council to discuss and consider the Interlocal Agreement and application of the Edward Byrne Memorial Justice Grant (JAG) for FY 2016.

Staff comments: Margaret Young

The City of Killeen has been chosen to apply for the JAG award and submit the application for all parties involved. JAG funding for Fiscal Year 2016 is \$80,270. An agreement has been made to distribute the program award as follows: City of Killeen \$40,537, City of Temple \$18,061 and Bell County \$21,672. Staff recommends that City Council approve the submission of the 2016 Edward Byrne Memorial Justice Assistant Grant through the Killeen Police Department on behalf of all parties involved; the City Manager to sign the Interlocal agreement; and permit the Killeen Police Department to allocate and administer the duties required by the grant, under the oversight of the City's Grant Administrator.

Motion was made by Councilmember Johnson to approve PH-16-025. Motion was seconded by Councilmember Rivera. Motion carried 6 to 0.

PH-16-026 HOLD a public hearing and consider an ordinance requested by Rajesh Patel to rezone approximately 0.847 acre, being part of the J. R. Smith Survey, Abstract No. 797, from "B-5" (Business District) to "B-3A" (Local Business and Retail Alcohol Sales District) to allow for package store sales. The property is located at 817 E. Rancier Avenue, Killeen, Texas.

Staff comments: Tony McIlwain

The owner is making the rezoning request in order to sell mixed beverages.

The staff notified fifteen (15) surrounding property owners regarding this request. Staff has received one protest. The Planning & Zoning Commission recommended approval of “B-3A” zoning by a vote of 6 to 0.

Mayor opened public hearing.

Mr. Sampson, 4706 Teal Drive - spoke against request.

Michael Eny, 1406 Diane Drive - spoke against request.

With no one else appearing the public hearing was closed.

Motion was made by Councilmember Okray to approve PH-16-026. Motion was seconded by Councilmember Rivera. Motion carried 4 to 2 with Councilmember Young and Councilmember Fleming in opposition.

PULLED FROM AGENDA BY REQUESTOR

(Case #Z16-13) to rezone .131 acre, being part of Lot 1, Block 1, Elms Creek Addition Phase I Replat, from “B-3” (Local Business District) to “B-4” (Business District).
