Resolutions

RS-17-038 Consider a memorandum/resolution authorizing the lease with purchase option of a wheel loader and compact excavator for the Drainage Maintenance division.

Staff comments: Frank Tydlacka

The Drainage Maintenance division leases a track loader to be used in routine operations, minor construction projects and upkeep of the approximate 457 acres of drainage channels throughout the city. It was found necessary to return that unit when the lease expired in June 2016 and replace it with a down-sized machine that would be more capable in confined areas. Staff recommends the procurement of the wheel loader and compact excavator from Romco Equipment Co., through the TASB BuyBoard, with financing provided by Bancorp South Equipment Finance, on a three-year lease of \$3,566.49 per month, and that the City Manager or designee is authorized to approve the purchase of the equipment at the end of the three-year lease period for \$76,771.20 if the purchase is approved in the FY20 budget, and that the City Manager or designee is expressly authorized to execute any and all change orders within the amounts set by state and local law.

Motion was made by Councilmember Fleming to approve RS-17-038. Motion was seconded by Councilmember Johnson. Motion carried unanimously.

RS-17-039 Consider a memorandum/resolution authorizing the issuance of a permit to American Fireworks for the discharge of fireworks as part of the Celebrate Killeen Festival.

Staff comments: Brett Williams

The Celebrate Killeen Committee desires to include a fireworks display at the annual event for a third consecutive year. American Fireworks has been identified as a service provider for the display. The proposed plan is to conduct the fireworks display on Saturday, April 29, 2017, at 9:30 p.m. at the conclusion of the festival's outdoor movie showing, signifying the festival's end. Staff recommends that City Council authorize the issuance of a permit to discharge fireworks to American Fireworks as part of the City's annual Celebrate Killeen Festival at the Killeen Community Center Complex.

Motion was made by Councilmember Kilpatrick to approve RS-17-039. Motion was seconded by Councilmember Rivera. Motion carried unanimously.

RS-17-041 Consider a memorandum/resolution authorizing the Texas Department of Transportation-Aviation Division to act as the Airport Agent for the administration of the Skylark Field T-Hangar Project.

Staff comments: Jim Livingston

Staff recommends City Council approve a resolution for TxDOT-Aviation to act as the Airport Agent for the disbursement of NPE funds and administration of the design and construction of a Skylark Field T-hangar project and for the purpose of applying for, receiving and disbursing all federal and state funds for this project and for the administration of contracts necessary for the initiation of the work; and authorize the City Manager to execute any and all required documents including any and all amendments within the amounts set by state and local law.

Motion was made by Mayor Pro-Tem Moore to approve RS-17-041. Motion was seconded by Councilmember Fleming. Motion carried unanimously.

RS-17-042 Consider a memorandum/resolution to suspend the April 21, 2017, effective date of Oncor Electric Delivery Company's requested rate change and approving cooperation with the Steering Committee of Cities Served by Oncor.

Staff comments: Kathy Davis

State law permits cities to suspend a rate change for ninety (90) days after the rates would otherwise be effective for any legitimate purpose. By suspending the effective date, the Steering Committee will have

adequate time to study and investigate the application, as well as negotiate rates. Staff recommends approval of the attached resolution suspending the effective date of Oncor's rate request and authorizing the city's continued cooperation with the Steering Committee.

Motion was made by Councilmember Rivera to approve RS-17-042 resolution suspending the effective date for 90 days. Motion was seconded by Councilmember Johnson. Motion carried unanimously.

RS-17-043 Consider a memorandum/resolution adopting a city council policy establishing the procedure for appointments to citizen boards, commissions and committees.

Staff comments: Kathy Davis

The draft policy addresses the timeframe for making appointments, the process for reviewing applications, the duties of appointment subcommittees and the full council, term limits and criteria for appointment.

Motion was made by Councilmember Rivera to approve RS-17-043. Motion was seconded by Councilmember Okray. Motion carried unanimously.
