FROM: Dr. Ray Shanaa, Executive Director of Planning and Development Services

SUBJECT: ZONING CASE #Z17-25 "B-5" (BUSINESS DISTRICT) TO "R-3F" (MULTIFAMILY RESIDENTIAL DISTRICT)

BACKGROUND AND FINDINGS:

This request is submitted by Furman Moore, on behalf of Andrew Straughn, to rezone approximately 0.270 acre, being Lot 15A, Block 1, of the De Ann Subdivision Replat, from "B-5" (Business District) to "R-3F" (Multifamily Residential District). The property is generally located on the west side of Courtney Lane, approximately 200 feet northeast of the intersection with Shawn Drive and is locally known as 3103 Courtney Lane, Killeen, Texas. Although it is zoned "B-5", the current use of the property is a quadplex. The applicant has requested to rezone the property to "R-3F" in order to bring the current use into a conforming status and

thereby obtain financing for the sale of the property.

District Descriptions:

- (1) All uses allowed in Section 31-186
- (2) Multifamily structures containing three (3) or four (4) separate dwelling units.
- (3) Institutions of a religious, educational, charitable or philanthropic nature, but not a penal or mental institution

Public Notification:

Staff notified sixteen (16) surrounding property owners regarding this request. As of the date of this staff report, no responses have been received.

THE ALTERNATIVES CONSIDERED:

Which alternative is recommended?

Staff is not recommending any alternative.

Why?

The applicant would like to pursue the zoning request as submitted.

CONFORMITY TO CITY POLICY:

This zoning request conforms to the City's policy and procedures as detailed in Chapter 31 of the Killeen Code of Ordinances.

FINANCIAL IMPACT:

What is the amount of the expenditure in the current fiscal year? For future years?

This zoning request does not involve the expenditure of city funds.

This is not applicable.

If not, where will the money come from?

This is not applicable.

Is there a sufficient amount in the budgeted line-item for this expenditure?

This is not applicable.

RECOMMENDATION:

Staff finds that the request for "R-3F" is consistent with the character of the area and would have no adverse impacts on the surrounding properties. Given that the property is currently being used as a quadplex, the proposed zoning change would serve to bring the existing nonconforming use into conformance with the City's zoning regulations. Therefore, staff recommends approval of the requested "R-3F" zoning.

By a vote of 6 to 1 (with Commissioner Harkin in opposition), the Planning and Zoning Commission recommended approval of "R-3F" of zoning.
