- There have been no recent rezoning requests for this property.
- The property is platted as the Church of Christ Addition, which was filed for record on November 22, 1991, in Cabinet B, Slide 216-B, Plat Records of Bell County, Texas.

Character of the Area:

Historic Properties: None

Community Infrastructure and Environmental Assessment:

Water, Sewer and Drainage Services

Provider: City of Killeen

Within Service Area: Yes

Feasibility Study or Service Commitment: Water, sanitary sewer and drainage utility services are located within the City of Killeen municipal utility service area and available to the subject tract. However, it will be necessary to extend public utility infrastructure to each lot, prior to the release of the lot(s) for construction purposes.

Transportation:

Existing conditions: The parcel will be accessed via Atkinson Ave., which has been constructed as a 70' collector on the City's adopted Thoroughfare Plan.

Proposed Improvements: None at this time.

Projected Traffic Generation: The applicant has not identified a proposed use for the property, so staff is unable to determine the projected traffic generation.

Environmental Assessment:

This northeast property boundary abuts the Liberty Ditch. Runoff exits this parcel in a sheet flow manner into Liberty Ditch. At the time of development the current drainage design manual (DDM) and infrastructure design and development standards will be applicable to this site. The property owner and his agents are cautioned that unknown or unforeseen site conditions may require remedial action to provide safe and adequate water, sewer, or drainage service to the property. Further, City of Killeen development regulations require that capacity analyses related to development of the property are the sole responsibility of the owner. The owner or his agents, acting as the permit applicant for the subject property, shall coordinate tie-in to all publicly dedicated infrastructure with the Public Works Department.

Land Use Analysis:

Future Land Use Map: This area is designated as 'General Commercial' (GC) on the Future Land Use Map (FLUM) of the Comprehensive Plan.

Plan Recommendation: The Comprehensive Plan calls for a wide range of commercial, retail and service uses, at varying scales and intensities depending on the site.

Consistency: The applicant's request is consistent with the FLUM of the Comprehensive Plan.

Fort Hood Joint Land Use Study (JLUS) Analysis

JLUS Plan: The property is not located in an "Encroachment Awareness Area" as identified within the JLUS.

Section 4.3 of the JLUS describes an "Encroachment Awareness Area" as intending "to serve the purpose of establishing the *current* area in which the partners in this study should maintain heightened vigilance with

regard to potentially incompatible civilian land uses encroaching into critical areas that may experience the effects of military training, such as high noise levels.”

Public Notification:

Staff notified seventeen (17) surrounding property owners regarding this request. As of the date of this staff report, no responses have been received.

THE ALTERNATIVES CONSIDERED:

The City Council may:

- Recommend disapproval of the applicant’s zoning request;
