Consider a memorandum/resolution accepting a Federal Aviation Administration Airport Improvement Program Grant for Runway Pavement Maintenance at Killeen-Fort Hood Regional Airport.

DATE: May 04, 2021
TO: Kent Cagle, City Manager
FROM: Mike Wilson, Executive Director of Aviation
SUBJECT: FAA Grant Acceptance-Runway Pavement Maintenance

BACKGROUND AND FINDINGS:

The Killeen Fort Hood Regional Airport (KFHRA) staff submitted an application to the Federal Aviation Administration (FAA) for an Airport Improvement Program (AIP) grant listed on our approved FAA Capital Improvement Plan (CIP) for FY21. The grant is for runway pavement maintenance to include rubber removal, crack sealing, marking and minor repairs at Killeen-Fort Hood Regional Airport (KFHRA).

The City has been offered an AIP grant in the amount of \$50,000 to be used for this project. Normally, AIP grants would require a 10% match; however, the American Rescue Plan Act signed into law on March 11, 2021, provides funds to increase the federal share to 100% for AIP grants already planned for fiscal year 2021.

Acceptance of this grant requires the City to make assurances related to the continued availability of the Airport to the public and compliance with a number of Federal Regulations and Standards.
