**Staff Comments:** Wallis Meshier, Director of Planning

If approved, the owner intends to build approximately forty-four (44) two-family homes on the property. The property is partially within a FEMA regulatory Special Flood Hazard Area (SFHA). A Letter of Map Revision (LOMR) was signed by the City's Floodplain Administrator on August 27, 2021 and has been submitted to FEMA. If approved, the LOMR will revise the floodplain in this area and allow the property to be developed. The property is designated as 'General Residential' on the Future Land Use Map (FLUM) of the Comprehensive Plan. This request is consistent with the FLUM of the Comprehensive Plan. Staff notified one hundred and fifty-two (152) property owners. To date, staff has received two (2) written responses in support of the request. Staff finds that the applicant's request for Two-Family Residential District is consistent with the surrounding land uses and compatible with the prevailing community character. Staff recommends approval of the applicant's request to rezone the property as presented. The Planning and Zoning Commission recommended approval by a vote of 6 to 1.

Mayor Segarra invited the applicant to speak.

The applicant, Mr. Ace Reneau, was available to provide additional information and answer questions.
