HOLD a public hearing and consider an ordinance amending Chapter 8 of the City of Killeen Code of Ordinances by amending Section 8-1 and adding Section 8-242 establishing water use standards and providing for the implementation of a vehicle wash facility annual certification program.

**DATE:**       **March 5, 2024**

**TO:**         **Kent Cagle, City Manager**

**FROM:**      **Edwin Revell, Executive Director of Development Services**

**SUBJECT:**   **Ordinance Amending Chapter 8, Art. IV, Div. 5. of the City of Killeen Code of Ordinances**

### **BACKGROUND AND FINDINGS:**

On September 5, 2023, Staff presented the City Council with a review of car wash water usage within the City and regulatory options.

On November 14, 2023, a Motion of Direction was given to staff to prepare a Vehicle Wash Facility Certification Program that would require car washes to complete an annual inspection as well as implement conservation-based measures and practices.

The proposed Vehicle Wash Facility Annual Certification Program establishes standards by amending the City's adopted plumbing code in order to ensure best water use practices and facility certification requirements for new and certain existing conveyor, in-bay automatic, and self-service car washes.

On February 15, 2024, in accordance with the Code of Ordinances, Staff presented the proposed amendment to the plumbing code to the Construction Board of Appeals. The Board, not supporting regulating car wash facilities at this time, unanimously recommended disapproval of the ordinance.
