Motion was made by Councilmember Nash-King to approve RS-18-093. Motion was seconded by Councilmember Rivera. Motion carried unanimously.

RS-18-094 Consider a memorandum/resolution to approve a customer facility charge at Killeen Fort Hood Regional Airport.

Staff Comments: Mike Wilson, Aviation Operations Manager.

Mr. Wilson provided a brief background of the customer facility charge (CFC) identifying it as a user fee imposed by an airport operator on each rental car user, collected by rental car companies. This resolution is to provide for the continuation of the CFC to fund the operations and maintenance of the rental car area facilities, provide for infrastructure and roadway improvements for the facility, and to provide funding for a major upgrade to the rental car area. The upgrade includes relocating the unleaded fueling facility from its current location to the quick-turn facility area, expand the existing ready lot, relocate the car wash and cleaning facilities, and provide additional storage area for vehicles. Due to the undertaking of this major project, staff has proposed an increase in the CFC from \$2.00 to \$3.00 per transaction day. Staff recommends that City Council approve the resolution and authorize the City Manager or designee to execute the same.

Motion was made by Councilmember Fleming to approve RS-18-094. Motion was seconded by Councilmember Menking. Motion carried 6 to 1 with Councilmember Johnson in opposition.

RS-18-095 Consider a memorandum/resolution to implement a privilege fee for non-tenant rental car companies providing customer services at the Killeen Fort Hood Regional Airport and Skylark Field.

Staff Comments: Mike Wilson, Aviation Operations Manager.

Mr. Wilson identified that the Killeen-Fort Hood Regional Airport leases retail facilities in the terminal building to various businesses to provide appropriate services to the public as well as to provide revenue sources for the airport enterprise fund; the rental car industry is one such business. However, off-airport, non-tenant motor vehicle rental services are authorized at each of the airports for the accommodation of passengers arriving and departing from the airport, and these non-tenant providers rent motor vehicles to the general public from a location or locations based off of the airports. This resolution would establish fees to be collected from off-airport non-tenant rental car companies (providers) providing customer services (e.g.,

passenger pick-up or drop-off) to passengers for motor vehicles for rent to offset the costs of operation of the airport. Staff has proposed, effective beginning on January 1, 2019, an Off-Airport Privilege Fee of ten-percent (10%) of providers gross revenue, for all revenue related to customer services at Killeen-Fort Hood Regional Airport or Skylark Field Airport. Staff recommends that City Council approve the resolution and authorize the City Manager or designee to execute the same.

Motion was made by Mayor Pro Tem Kilpatrick to approve RS-18-095. Motion was seconded by Councilmember Fleming. Motion carried 6 to 1 with Councilmember Johnson in opposition.

RS-18-096 Consider a memorandum/resolution authorizing the award of Bid No. 19-02 for Petroleum Products and Diesel Exhaust Fluid (DEF).

Staff Comments: Frank Tydlacka, Fleet Manager.

Mr. Tydlacka advised that bids in response to Bid No. 19-02 were opened and read aloud on September 7, 2018. Six vendors submitted bids, two vendors are recommended for two different portions of the City's petroleum products and DEF needs. American Lube Supply submitted the most cost effective petroleum product bid and Arnold Oil Company submitted the most cost effective DEF bid. Staff recommends that City Council award purchase agreements to American Lube Supply and Arnold Oil Company for their respective portion of Bid Number 19-02, and that the City Manager or designee be authorized to execute the agreements and any change orders as permitted by state and local law.

Motion was made by Councilmember Johnson to approve RS-18-096. Motion was seconded by Councilmember Harris. Motion carried unanimously.

RS-18-097 Consider a memorandum/resolution authorizing the award of a Professional Services Agreement with Walker Partners, LLC for the Chaparral Road Wastewater Improvements Project.

Funding for this project is available in the 2013 Water and Sewer Bond and the project is also included in the FY 2019 CIP. Staff recommends that the City Council authorize the City Manager to enter into a Professional Services Agreement with Walker Partners, LLC for the Chaparral Road Wastewater Improvements Project in the amount of \$259,110 and that the City Manager is expressly authorized to execute any and all changes within the amounts set by state and local law.

Motion was made by Councilmember Rivera to approve RS-18-097. Motion was seconded by Councilmember Nash-King. Motion carried 5 to 2 with Councilmember Harris and Councilmember Johnson in opposition.

RS-18-099 Consider a memorandum/resolution to enter into a Memorandum of Understanding with Bell County on behalf of Bell County Communications Center.

Staff Comments: Charles Kimble, Chief of Police.

Chief Kimble provided a brief background of the services that the Bell County Communications Center provides and identified the requirement for a back-up Public Safety Answering Point for call taking and dispatch services to the county in the event of service disruption at the main Belton site. Currently this secondary location is at the Killeen Police Department Headquarters and is suited for four positions. Bell County has requested that this space be expanded to suit 15 positions. The proposed Memorandum of Understanding allows for Bell County to be responsible for the purchase and maintenance of equipment and the payment of personnel when activated. The City of Killeen will provide the space rent free. Staff recommends that the City Council approve the Memorandum of Understanding with Bell County on behalf of the Bell County Communications Center and authorize the City Manager, or his designee, to execute the agreement.
