Consider a memorandum/resolution approving an operating authority for Cove Taxi.

DATE: April 6 ,2021

TO: Kent Cagle, City Manager

FROM: Traci Briggs, City Attorney

SUBJECT: Cove Taxi Operating Authority

BACKGROUND AND FINDINGS:

Chapter 29, City of Killeen Code of Ordinances, provides the manner by which an operating authority permit is granted. An operating authority is the written authority granted by council to provide ground transportation within the city. An applicant must file an application, pay the required fee, and provide necessary supporting documentation.

Cove Taxi filed its first application for a Taxicab Franchise in 2001. Since 2001, Cove Taxi has renewed its franchise permit every five (5) years. With the latest adoption of Ordinance 17-056 amending Chapter 29, all transportation services shall obtain a five-year operating authority as opposed to a five-year franchise. The amendment further states that ground transportation services operating under a valid franchise or operating authority granted before the effective date of the amended ordinance (November 14, 2017) may continue to operate under that franchise or operating authority. Upon expiration, the ground transportation service shall apply for an operating authority under Chapter 29 to continue operating in the city. Cove Taxi's franchise/operating authority permit expires May 8, 2021.

The City Secretary's office has received an application from Cove Taxi along with the required fee and supporting documents to be in compliance with Chapter 29 of the Code of Ordinances. The application is complete and provides for taxi services in the city. Operating authority permits are valid for five years with the window sticker permits expiring annually on December 31. Cove Taxi was issued window sticker permits for calendar year 2021 in December of 2020.
