Staff Comments: Danielle Singh, Executive Director of Public Works.

The city initially performed a traffic study which determined the current need for a signal at the referenced intersection. JOF Developers, Inc, developer of McGregor Estates, has proposed cost sharing for installation of the signal. The developer received permits through TxDOT and constructed the signal. Total project cost is \$420,125; the requested city contribution amount is \$100,000. The signal would be covered under Traffic Signal Maintenance Agreement with TxDOT. City staff recommends approval of the city/owner agreement and authorizing the city manager or his designee to execute the agreement for the city's cost contribution in the amount of \$100,000 for the traffic signal and associated improvements project at the SH-201 and Golden Gate Drive intersection.

Based on the promotion of Danielle Singh to Assistant City Manager, the position of the Executive Director of Public Works becomes vacant. Mr. Cagle extended a conditional offer of employment to Jeffery Reynolds for the Executive Director of Public Works to oversee Solid Waste, Water & Sewer, Transportation, and Mowing and Drainage operations. With this transition, the Engineering Division will be moved from Public Works to the Planning and Development Department, under the supervision of Tony McIlwain, Executive Director of Planning and Development. DATE.

Staff Comments: Tony McIlwain, Executive Director of Planning.

The property consists of an existing two-family residential dwelling. The purpose of this request is to rezone the property to "R-2" in order to bring the existing use into conformance with the zoning ordinance. Prospective buyers have had difficulty securing financing for the property due to the nonconforming nature of the existing two-family dwelling. The subject property is designated as 'Suburban Commercial' (SC) on the Future Land Use Map (FLUM) of the Comprehensive Plan. Although the applicant's request is not consistent with the Future Land Use Map (FLUM), staff is of the determination that an amendment to the FLUM is not warranted at this time. Staff notified forty-four (44) surrounding property owners within 400 feet of the subject property regarding this request. Staff has received one (1) response in support of the request. Planning & Zoning Commission recommended approval of the applicant's request by a vote of 6 to 0.

Mayor Segarra invited the applicant to speak.

The applicant, Mr. Michael Linnemann, appeared before city council to provide additional information and answer questions.

Mayor Segarra opened the public hearing.

PH-21-016 HOLD a public hearing and consider an ordinance requested by Eddie Bogard, P.E. on behalf of Florence HH MHP, L.L.C. (**Case #221-01**) to rezone approximately 6.589 acres from "R-MH" (Mobile Home District), "R-1" (Single-Family Residential District), and "R-MH" with a Conditional Use Permit (CUP) for a Communication Tower to "R-MP" (Mobile Home and Trailer Park District) and "R-MP" (Mobile Home and Trailer Park District) with a Conditional Use Permit (CUP) for a Communication Tower. The properties are addressed as 3109 and 3205 Florence Road, Killeen, Texas.

The City Secretary read the caption of the ordinance.

AN ORDINANCE AMENDING THE ZONING ORDINANCE OF THE CITY OF KILLEEN BY CHANGING THE ZONING OF APPROXIMATELY 6.589 ACRES OUT OF THE JOHN ESSARY SURVEY, ABSTRACT NO. 296, FROM "R-MH" (MOBILE HOME DISTRICT), "R-1" (SINGLE-FAMILY RESIDENTIAL DISTRICT), AND "R-MH" WITH A CONDITIONAL USE PERMIT (CUP) FOR A COMMUNICATION TOWER TO "R-MP" (MOBILE HOME AND TRAILER PARK DISTRICT) AND "R-MP" (MOBILE HOME AND TRAILER PARK DISTRICT) WITH A CONDITIONAL USE PERMIT (CUP) FOR A COMMUNICATION TOWER; PROVIDING A SAVINGS CLAUSE; PROVIDING FOR THE REPEAL OF CONFLICTING PROVISIONS; PROVIDING FOR AN EFFECTIVE DATE.

Staff Comments: Tony McIlwain, Executive Director of Planning.

The subject property currently consists of an abandoned mobile home park and two existing single-family homes. There is an existing Communications Tower in the northeast corner of the property with a CUP (Conditional Use Permit) zoning overlay. This Conditional Use Permit was

approved by the Council on October 17, 2017 via Ordinance 17-53. If approved, this rezoning would not affect the existing Conditional Use Permit for the communications tower. Only the underlying zoning would be affected. The purpose of this request is to rezone the property to "R-MP" (Mobile Home and Trailer Park District) to allow for redevelopment of the site as a commercial RV Park. The current "R-MH" (Mobile Home District) zoning district is inactive and permits only manufactured homes; it does not permit RV Parks. If approved, the applicant would be required to redevelop this site in conformance with all current City standards for travel trailer parks. This property is designated as 'General Commercial' (GC) on the Future Land Use Map (FLUM) of the Comprehensive Plan. Staff is of the determination that, because the proposed RV park will be run as a commercial business, the request is consistent with the Future Land Use Map. Staff notified eighty (80) surrounding property owners within 400 feet of the subject property regarding this request. To date, staff has received one (1) written response in opposition to the request. The Planning & Zoning Commission recommended approval of the applicant's request by a vote of 6 to 0.

Mayor Segarra invited the applicant to speak.

The applicant, Mr. Eddie Bogard, appeared before city council to provide additional information and answer questions.

PH-21-017 HOLD a public hearing and consider an ordinance requested by Dolores Lorta (**Case #Z21-03**) to rezone Lots 10 and 11, Block 4, Hillview Addition from "B-4" (Business District) to "R-1" (Single-Family Residential District). The property is addressed as 209 N. Gilmer Street, Killeen, Texas.

The City Secretary read the caption of the ordinance.

Staff Comments: Tony McIlwain, Executive Director of Planning.

This subject property consists of an existing single-family residence. The purpose of this request is to rezone the property to "R-1" in order to bring the existing single-family residence into conformance with the zoning ordinance. Prospective buyers have had difficulty securing financing for the property due to the nonconforming nature of the existing single-family home. This area is designated as 'General Residential' (GR) on the Future Land Use Map (FLUM) of the Comprehensive Plan. The applicant's request is consistent with the FLUM. Staff notified fifty-eight (58) surrounding property owners within 400 feet of the subject property regarding this request. Staff has received one (1) response in support of the request. Staff finds that, if approved, the requested "R-1" zoning will bring the property into conformance with the City's current zoning regulations. The Planning & Zoning Commission recommended approval of the

request by a vote of 5 to 1 with Commissioner Boyd in opposition.

Mayor Segarra invited the applicant to speak.

The applicant, Ms. Delores Lorta, did not appear before city council but was in the audience to answer questions if city council had any which they did not.

O'Neal Survey, Abstract No. 645, from "B-5" (Business District) to "R-2" (Two-Family Residential District). The property is addressed as 1600 N. 8th Street, Killeen, Texas.

O'NEAL SURVEY, ABSTRACT NO. 645, FROM "B-5" (BUSINESS DISTRICT) TO "R-2" (TWO-FAMILY RESIDENTIAL DISTRICT); PROVIDING A SAVINGS CLAUSE; PROVIDING FOR THE REPEAL OF CONFLICTING PROVISIONS; PROVIDING FOR AN EFFECTIVE DATE.

Staff Comments: Tony McIlwain, Executive Director of Planning.

The subject property is currently undeveloped. If approved, the applicant intends to construct at least one two-family dwelling on the property. Should the property owner wish to subdivide it into two lots, the site could accommodate up to two (2) two-family dwellings. The subject property is identified as 'Residential-Commercial Mix' (RC-MX) on the Future Land Use Map (FLUM) of the Comprehensive Plan. Staff finds that the applicant's request is consistent with the FLUM. Staff notified seventy-four (74) surrounding property owners within 400 feet of the subject property regarding this request.
