TO: Kent Cagle, City Manager

SUBJECT: ZONING CASE #Z21-37: "B-5" (BUSINESS DISTRICT) TO "R-1" (SINGLE-FAMILY RESIDENTIAL DISTRICT)

BACKGROUND AND FINDINGS:

Property Information:

Property Owner/ Agent: Barbara Trevino / Connie Stokes

Current Zoning: "B-5" (Business District)

Requested Zoning: "R-1" (Single-Family Residential District)

Future Land Use Designation: 'General Residential' (GR)

Summary of Request:

Connie Stokes, on behalf of Barbara Trevino (Case #21-37), has submitted a request to rezone approximately 0.122 acre out of the Stringer Addition, Lot 10, Block 5, from "B-5" (Business District) to "R-1" (Single-Family Residential District). Character of the Area:

Surrounding Land Use and Zoning:

	Current Land Use	Zoning District	Future Land Use
--	------------------	-----------------	-----------------

North	Vacant commercial property	B-5 (Business)	General Residential (GR)
East	Single-family homes	R-3 (Multifamily Residential)	General Residential (GR)
South	Single-family home	R-3 (Multifamily Residential)	General Residential (GR)
West	Single-family home	R-3 (Multifamily Residential)	General Residential (GR)

Future Land Use Map Analysis:

This property is designated as 'General Residential (GR)' on the Future Land Use Map (FLUM) of the Comprehensive Plan.

'General Residential' (GR) characteristics encompass most existing residential areas within Killeen. General Residential' (GR) are typically auto-oriented (especially where driveways and front-loading garages dominate the front yard and building facades of homes), which can be offset by "anti-monotony" architectural standards, landscaping, and limitations on "cookie cutter" subdivision layouts characterized by straight streets and uniform lot sizes and arrangement.

The 'General Residential' (GR) designation encourages the following development types:

- Detached residential dwellings as a primary focus;
- Attached housing types subject to compatibility and open space standards (e.g., duplexes, townhomes, patio homes);
- Planned developments, potentially with a mix of housing types and varying densities, subject to compatibility and open space standards;
- Public/ institutional; and
- Parks and public spaces.

This request is consistent with the Future Land Use Map (FLUM) of the Comprehensive Plan.

Of those notified, twenty-one (21) properties were located outside of the 200-foot notification boundary required by the State, but within the 400-foot notification boundary required by Council; and fifty-one (51) reside out of Killeen. As of the date of this staff report, staff has received one (1) written response in support of the request.

Staff Findings:

THE ALTERNATIVES CONSIDERED:

The City Council has three (3) alternatives. The Council may:

- Disapprove the applicant's request;
- Approve a more restrictive zoning district than requested by applicant; or
- Approve the applicant's request.

Which alternative is recommended? Why?

Staff recommends approval of the applicant's request to rezone the property from "B-5" (Business District) to "R-1" (Single-Family Residential District) as presented.

The character of the area is predominantly single-family, and the existing homes to the east, south, and west of the subject property are all single-family homes.

CONFORMITY TO CITY POLICY:

This zoning request conforms to the City's policy and procedures, as detailed in Chapter 31 of the Killeen Code of Ordinances.
