### **Future Land Use Map Analysis:**

This property is designated as 'Rural' (R) and 'Suburban Commercial' (SC) on the Future Land Use Map (FLUM) of the Comprehensive Plan.

The 'Rural' (R) designation encourages the following development types:

- Residential homesteads;
- Planned development to accommodate conservation and cluster residential designs;
- Agricultural uses;
- Agriculture-focused commercial retail;
- Public/institutional;
- Parks and public spaces; and
- Natural and protected floodplain areas.

The 'Suburban Commercial' (SC) designation encourages the following development types:

- Range of commercial retail and service uses, at varying scales and intensities depending on the site
- Office (both large and/or multi-story buildings and small-scale office uses depending on the site)
- Planned development to accommodate custom site designs or mixing of uses in a Suburban character setting
- Public/institutional
- Parks and public spaces

If approved, the 'General Residential' (GR) designation encourages the following development types:

- Detached residential dwellings as a primary focus
- Attached housing types subject to compatibility and open space standards (e.g., duplexes, townhomes, patio homes)
- Planned developments, potentially with a mix of housing types and varying densities, subject to compatibility and open space standards
- Public/ institutional
- Parks and public spaces

The applicant has submitted a concurrent request to rezone the property from "A" (Agricultural District), "R-1" (Single-Family Residential District), and "B-3" (Local Business District) to "R-2" (Two-Family Residential District).

### **Water, Sewer and Drainage Services:**

Provider: City of Killeen

Within Service Area: Yes

Feasibility Study or Service Commitment: Water, sanitary sewer and drainage utility service is located within the City of Killeen municipal utility service area and available to the subject tract.

### **Transportation and Thoroughfare Plan:**

Ingress and egress to the properties is from Clear Creek Road, which is classified as a 120' wide Principal Arterial on the City of Killeen Thoroughfare Plan.

### **Environmental Assessment:**

The property is not within any FEMA regulatory Special Flood Hazard Area (SFHA). There are no other known wetland areas on or adjacent to the property as identified on the National Wetlands Inventory.

### **Public Notification:**

Staff mailed courtesy notices to thirty-eight (38) surrounding property owners regarding this request. Of those property owners notified, twenty-one (21) reside outside of Killeen.

### **Staff Findings:**

The current zoning of the subject property is "A" (Agricultural District), "R-1" (Single-Family Residential District) and "B-3" (Local Business District). The surrounding area includes undeveloped properties and residential uses. The area to the north is existing single-family residential development (McGregor Estates subdivision). To the south, east, and west are undeveloped properties. The subject property has approximately 210 feet of frontage on Clear Creek Rd. and is approximately 960 feet deep. The property is landlocked to the north and to the south. The property to the south is owned by the U.S. Government and is unlikely to be developed. Given the unique configuration of the property and the limited access, staff is of the determination that the property is not suitable for commercial development.

### **THE ALTERNATIVES CONSIDERED:**

The City Council has three (3) alternatives. The Council may:

- Disapprove the applicant's FLUM amendment request;
- Approve a more restrictive FLUM designation; or
- Approve the applicant's FLUM amendment request.

### **Which alternative is recommended? Why?**

Staff recommends approval of the applicant's FLUM amendment request as presented.

Staff is of the determination that the 'Rural' (R) designation is not appropriate in this location given its location within the City limits. Additionally, the request for 'General Residential' is consistent with the FLUM designation directly adjacent to the north.

### **CONFORMITY TO CITY POLICY:**

This request conforms to the City's policy and procedures as detailed in Chapter 31 of the Killeen Code of Ordinances.

**RECOMMENDATION:**

At their regular meeting on January 3, 2022, the Planning and Zoning Commission recommended approval of the applicant's request by a vote of 6 to 0.

This item has been reviewed by the Planning and Legal staff.
